This exploded view diagram illustrates the assembly of a refrigerator door. The components shown include:

- 965 6**: A small, curved plastic piece, likely a hinge or latch component.
- 691 5**: A circular component, possibly a knob or a decorative cap.
- 691 4**: A circular component, possibly a knob or a decorative cap.
- 252 5**: A long, vertical rectangular panel, likely the inner door liner or insulation panel.
- 743 0**: A rectangular component with a grid pattern, likely a ventilation grille or filter.

The diagram shows how these components are positioned relative to the main door structure, which is partially visible on the left. Dashed lines indicate the assembly path and alignment of the parts.
